To whom it may concern:

Color by the Sun was a delightful company to work with and I would highly recommend using them and their product. The customer service I received was excellent and their staff was eager to meet all of our needs, not to mention the t-shirts were a big hit.

From our initial ordering of a sample to receiving the end product the whole process was simple and effortless. I cannot begin to express my satisfaction with the line of communication and the attentiveness to every detail given by their staff, namely Shane Petty. In addition, the t-shirts were fun and exciting at our tradeshow—customers could not wait to take them outside.

Working with Color by the Sun was a pleasure and I look forward to doing business with them again in the future.

Sincerely,
